

Side Sewer Contractors Qualifications Form

Mason County is collecting information from qualified contractors who are interested in building side sewers for the Belfair Wastewater and Water Reclamation Facilities Project. If you are interested in being included in Mason County's list of recommended contractors, please fill out the form below and submit it to the county. Your company will be included in a list sent to property owners who are required to connect to the new system. Property owners will be contacting contractors directly to negotiate construction of their side sewers.
